NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps without chimneys.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

Testimonials without number from citizens of this, as well as those of other States might be published, but the above is sufficient. Any person having the Right can make 5 to 10 bbls, of the Fluid in an hour.

MEDICAL.

A HEROIC REMEDY!

HENRY'S CARBOLIC CONSTITUTION RENOVATOR!

Based on Science, Prepared with Skill,

and all the available ingenuity and experience, that the art of pharmacy of the present day can contribute. And

COMBINING IN CONCENTRATED FORM THE MOST VALUABLE VEGETABLE JUICES

Known in the history of Medicines for

PURIFYING THE BLOOD,

Imparting

NUTRITION TO THE SYSTEM,

Tone to the Stomach,

And a Healthy action to the Liver, Kidneys, Secretive and Excretive Organs.

A DYING ZOUAVE

lay breathing in last on the battle field, his companions surged on and left him alone. They knew the cause of his approaching end it was the deadly bullet. No friendly voice could cheer him to life—no human skill could save him.

Thousands of Precious Lives

are to-day as rapidly sinking, and as surely tottering on to an untimely end, in Suffering, Agony, Wretchedness, and Ignorance of the cause which

Science can arrest and assuage,
Nourish into new Life and Vigor,
And cause the Bloom of Health
To dance once more upon their withered Cheeks.

DISEASE, LIKE A THIEF,

Steals upon its victims unawares, and before they are aware of its attack, plants itself firmly in the system, and through neglect or inattention becomes

Seated, and defies all ordinary or temporary treatment to relinquish its merciless grasp.

DO YOU KNOW THE CAUSE OF

The wasted form—the hollow cheek?
The wild fired face—the shallow complexion
The feeble voice—the sunken, glassy eye?
The emaciated form—the trembling frame?
The treacherous pimple—the tormenting sore?
The repulsive eruption—the inflamed eye?
The pimpled face—the rough colorless skin?
and debilitating ailments of the present age?

The answer is simple, and covers the whole ground in all its phases, viz: the

FANGS OF DISEASE

AND

HEREDITARY TAINT

ARE FIRMLY FIXED IN THE

FOUNTAIN OF LIFE—THE BLOOD.

The

INDISCRIMINATE VACCINATION

during the late war, with diseased Lymph **has TAINTED THE BEST BLOOD** in the entire land. It has planted the germ of the most melancholy disease in the veins of men, women and children on all sides, and nothing short of

A HEROIC REMEDY

will Eradicate it root and branch, forever. Such a Remedy is

HENRY'S CARBOLIC CONSTITUTION RENOVATOR.

ON REACHING THE STOMACH, it assimilates at once with the food and liquids therein, and from the moment it passes into the Blood, it attacks disease at its fountain head, in its germ and maturity, and dissipates it through the avenues of the organs with unerring certainty, and erects NEW AND PURE BLOOD BOUNDING THROUGH EVERY ARTERY AND VEIN.

The tuberonies of Scrofula that sometimes flourish and steal the inner coating of the abdomen, like kernels of corn, are withered, dissolved and eradicated and the diseased parts nourished into life. The Torpid Liver and Inactive Kidneys are stimulated to a healthy secretion, and their natural functions restored to renewed health and activity.

Its action upon the blood, fluids of the body, and Glandular System, are

TONIC, PURIFYING AND DISINFECTANT,

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

THURSDAY, APRIL 28, 1870.

"TRUTH CRUSHED TO THE EARTH WILL RAISE AGAIN," CONTINUED.

We mentioned yesterday the why and wherefore of the payment of that $20,000 in bonds to Dr. Sloan. It was a concession of the "Ring" to the demands of one who was well aware they dared not refuse. Dr. Sloan's tale before the Bragg Committee, was not "the truth, the whole truth and nothing but the truth," if there is any reliance to be placed in the statement we have given and which we presume, Dr. Sloan will not dare attempt to deny.

This agreement in New York was the work of the "Ring," effected with the knowledge and, perhaps, co-operation of the Governor, who upon that occasion was made aware of the facts that Swepson was behind in his bond account.

The Governor is "some" on the formation of companies. He, out of old and badly worn materials, manufactured the concern known as "N. Paige & Co.," which was afterwards remodeled into "J. B. Neathery & Co.," and now, by a little inking over, is converted into "W. A. Smith & Co." There is no doubt he was consulted and advised with in regard to putting the Railroad bonds into the hands of Henry Clews & Co. The "Ring" persuaded the Governor and the Governor persuaded Dr Sloan; but the most persuasive of all was, Swepson's $20,000 in Railroad bonds.

But suppose the version given of the affair by the "Ring," as we have narrated it, be incorrect, then we have to fall back on the Doctor's own version, as the true one, and we ask, how can any honest Governor retain such a man in a responsible position after such a disclosure. We can't see how he can do it and retain his self-respect.

Truly Sloan and Littlefield ought to love the Governor with "a love exceeding that of woman," for he certainly submits himself to a tremendous weight of odium in their behalf.

We call upon the people of the State, in their primary meetings, to denounce, as they may deem just, the action of the Governor, in giving his countenance as he has done, to the plunderers of the State.

In August next, the Governor will learn that public virtue and public sentiment are stronger than his leagues; stronger than his militia; stronger than his troops, quartered on the people of Alamance; stronger than Judge Watts, and stronger than the dungeon to which he ordered two men without giving them a hearing. In short he will learn that

"Truth crushed to earth will rise again,
The eternal years of God are hers,
While Error, wounded, writhes in pain
And dies amid her worshippers."

SEIGE RAISED—THE PLOT DETECTED—TROOPS DISPIRITED, DISGUSTED AND WITHDRAWN.

The invasion of Alamance county by Federal troops is at last ascertained to have been the work, not of President Grant, but of Governor Holden and General Canby.

The Governor has made the impression that Grant was responsible for the invasion. He recently confessed, however, to the Reporter of the New York *Herald*, that Canby sent the troops to Alamance.

But Canby and Holden have been defeated—most ignominiously defeated.—They sent full thirty troops to besiege a territory of 115,000 acres area, and containing a fighting population of 14,000, proclaimed to be in a state of insurrection!

But these turbulent insurrectionists, by "a masterly inactivity," conquered a peace. The invaders did every thing to drive these insurrectionists from their strongholds; they divided, stationing twelve men at Company Shops, leaving about twenty to garrison Graham.

The army became demoralized, and the Governor was dumb-founded when he heard that one of the garrison had actually married a daughter of one of those unionhating, Ku Klux insurrectionists; and his grief and chagrin were increased ten fold, when he found the unrepentant rebels of Alamance persisting in their diabolical course of plowing and planting, just as if there were no proclamations promulgated, and no soldiers this side of the Potomac.

After the soldiers had whipped four or five of the Governor's leaguers, and one of them had married a female Ku Klux, the Governor raised the seige, and the army was hurried off to Idaho Territory under pretext of fighting the Indians there.

How all good men must rejoice to see our League Governor foiled in his wiley schemes of getting up a muss between the races in Alamance, in order to retain misused power in his hands.

When the President of the Leagues sends troops among the Ku Klux, we hope they may always harmonize as they did in Alamance. If there had actually been insurrection in Alamance and a defiance of lawful authority, as the Governor and all the little fice-dogs of his party falsely charged, the little handful of troops sent there could have been murdered as easily as Wyatt Outlaw was hung.

We have no doubt the Governor was as highly incensed that a Ku Klux girl captured one of his soldiers as he was that Calvin Rogers nominated Tim Lee for Sheriff, at Oak Grove, last Saturday.

The Governor is, now, in honor bound to issue his proclamation declaring the insurrection quelled, inviting emigration to Alamance, and send Judge Tourgee to hold his Court in Alamance for the adjustment of civil matters there.

OAK GROVE TOWNSHIP.

The communication of our correspondent "Oak Grove," satisfies us that that portion of Wake county is as true as Morrisville, where only one white Radical voted at the last election.

Oak Grove is the neighborhood whence hails our Radical Postmaster, Calvin J., and therefore it was he carried out his city friends to help him look after his colored constituents in that portion of the Governor's vineyard. But after all Calvin was obliged to ride round considerably, we understand, to get together the thirty which met on Saturday.

A gentleman from the county informs us that there are three events of recent occurrence, which has gone further than anything else, to incite the people of Wake to intense opposition to Holdenism. These are, first, the imprisonment of young Holleman and Utley without giving them a hearing, by Judge Watts; secondly, the arrest of these young men by negroes who were neither State nor county officers elected by the people; and thirdly, the pardoning of Wm. Beattie, who had been convicted of stealing Wyatt Holleman's mare and mule.

These things are bad enough, but there are stronger and graver reasons than this for the people of Wake and the whole State for abandoning Gov. Holden. These we have given from time to time, and the public will readily recall them.

OAK GROVE TOWNSHIP,
Wake County,
April 25, 1870.

MR. EDITOR:—On Thursday last the Conservatives held a Township meeting, the proceedings of which will be furnished you by the Secretary.

On Saturday the Radicals had a meeting, at which your city was pretty well represented. Mr. Postmaster Rogers, the Governor's Private Secretary, Richardson, County Register White, County Commissioner, Andrews and little Charlie Horner, late Assistant Governor, were all here.

They brought out with them ready made town resolutions for the country negroes to adopt. Roland Gooch was the recipient of the unexpected honor of being called to the Chair and Caswell T. Ross, a new convert was made Secretary. Four negroes and a white man, not one of whom can write, were appointed a committee to report resolutions for the consideration of the meeting.

The committee retired behind an old house in the woods, hard by, and Mr. Postmaster Rogers proposed to go with them, as they "might want help." This was a very opportune suggestion, as they had neither pen, ink or paper, but Calvin had what supplied the deficiency, namely, the ready-made resolutions in his pocket.—So, after going behind the old house and coming back, Calvin took out the resolutions and read them to the meeting.

Mr. James Harris, colored, was nominated for Congress, Joe Holden for the Senate, Dr. Thomas W. Young, S. D. Franklin and Rev. W. M. Morgan, colored, for the House of Commons.

There were about thirty negroes present, and about the same number of white Conservatives on the ground.

Mr. Rogers called on the negroes to come up and list themselves for taxes, (it being the day for taking the tax lists) One said he had nothing to give in, Mr. B. Y. Rogers told the negroes they ought to make his brother Calvin pay them the "40 acres and a mule," he had promised them, and then they would have something.

Mr. C. J. Rogers made one of his horn-blowing speeches, charging that all the Ku Klux were Democrats, and that they were guilty of murder, rape and every horrid crimes. He intimated that his brother, B. Y. Rogers, was in sympathy with them and that they had been to his House.

Mr. Richardson also spoke, and defended the Republican ladies from the attacks of the SENTINEL, declaring that it was charged by that paper, that there were only twelve Republican ladies in the State. He pronounced it a slander on the Republican ladies. Mr. B. Y. Rogers here reminded him that it was not so gross as the slander in the *Standard* in the article "Work."

Then came Joshua, surnamed Andrews, the painter, who told that funny old story of "the soldier and the goose," and concluded by saying he was sorry he had told it, for Jo. Turner would have it in the SENTINEL by Monday.

Mr. White said but little, merely thanking the bearers for their "kind attention," and then wilted.

Mr. Horner, imitating his name sake who sat in a corner, and like the boy the calf ran over, had nothing to say.

Among the nominations made, was that of Tim Lee for Sheriff. This marred the harmony of the occasion and caused a split in the Raleigh delegation. One of them hitched up his horse and left in high dungeon, declaring the Governor had been Calvin Rogers' best friend, and that he would be greatly displeased at Calvin for nominating Tim.

Mr. B. Y. Rogers was then called on for a speech. He, in response, said if was a Republican meeting and he was not disposed to obtrude upon it, but being called on, he would say a word or two.

He regretted that his brother Calvin had made such an incendiary and inflammatory speech as he had; he thought such speeches calculated to do great harm. He told the negroes that his brother Calvin was not the friend to the negroes he professed to be; that he had belonged to all the secret societies, such as the Know Nothings and Leagues, and it was no difficult matter for such men to join the Ku Klux, if their interests demanded it.

I don't think, Mr. Editor, these city gentlemen will venture into the country again soon, with their cut and dried resolutions. The Conservatives of Oak Grove Township are under obligations to Mr. B. Y. Rogers for the proper setting down he gave his brother Calvin on this occasion before the public. But I will close, having already made this communication longer than I intended. You may tell our friends throughout the County that we are all right at

OAK GROVE.

A BRAINLESS CONGRESS.—Under this head, DON PIATT, in a late letter to the Cincinnati *Commercial*, pays the following compliment to the representatives of the South as they were before the war. He shows the average Yankee ignorance about those he calls the "poor whites," but his statement on the other points are indisputable:

The South for a long term of years enjoyed a higher order of legislative talent from the limited condition of suffrage. The negroes did not vote nor did the poor whites, save as their masters dictated. It was not Democratic, but it was decent. We broke up that system, and, excluding the brain by law, admitted the skulls. No man questions the result. Instead of gentlemen we have low fellows; and in place of a pride that lifted the representatives above their constituents, we have rogues openly in the market.

PUBLIC MEETING.

On Saturday the 23d April, 1870, in pursuance of previous notice, the citizens of Chapel Hill Township assembled at the Township house.

On motion of Jones Watson, Esq., Dr. Morgan Closs was called to the Chair and Andrew Mickle, Esq., appointed Secretary.

Mr. Mickle explained the object of the meeting, and after a few remarks from other persons relative thereto, on motion of Col. Wm. L. Saunders, a Committee of one from each School District in the Township was appointed to prepare business for the meeting. The said Committee was composed of the following named gentlemen: Messrs. W. L. Saunders, J. P. Cole, Wm. H. Burch, Jno. W. Gattis, Mathew McCauley, Sr., and E. D. Hendren. After having retired for consultation, they reported the following resolutions:

1st. That we deem it inexpedient to express, except through our delegates, the preferences of the people of this Township, in regard to the selection of candidates for any particular office.

2nd. That we do hereby pledge ourselves to support the regular nominees of the county convention.

3d. That three Delegates for each school District in the Township, be appointed by the people thereof, respectively, to represent us in the county convention, that the Chairman of this meeting certify their appointment to the county convention.

4th. That in order to secure the selection of candidates who are really the choice of the people of the County, our delegates are hereby instructed to ask, that no man be declared to have received a nomination unless he shall have received two thirds of all the votes of the county convention.

5th. That we heartily approve and endorse the principles and platform laid down in the address recently published by the Conservative members of the Legislature.

6th. That the Chairman of this meeting appoint an Executive Committee to consist of one person for each School District in this Township.

The resolutions were then put to the meeting and unanimously adopted.

It appearing that delegates to the county Convention had been already appointed by the people in the various School Districts, the following reports of names of delegates were made and confirmed:

For Elm Grove, J. P. Cole, James Bishop, Jas. Watson.

For Orange Church, S. S. Clayton, Wm. Strain, Wm. H. Burch.

For Cool Spring, W. J. Kirkland, W. C. Clayton, Gilbert Craig.

For Beth Car, Jno. W. Gattis, Manly Lloyd J. J. Hagan.

For Mt. Carmel, M. J. W. McCauley, Sidney Tilley, Matthew McCauley, Sen.

For Chapel Hill, W. J. Newton, J. W. Carr, W. L. Saunders.

Upon motion, the Hillsboro' *Recorder* and Raleigh SENTINEL were requested to publish the proceedings of this meeting.

According to previous notice, the citizens of Graham, Alamance County, assembled in the Court House, on Tuesday, April 26th 1870, at 8 o'clock A. M.

On motion Jas. E. Boyd, Esq. was called to the Chair, and J. A. Long requested to act as Secretary.

Col. W. A. Albright then arose and begged leave to introduce the following preambles and resolutions, which were adopted:

WHEREAS, Company E. 17th U. S. Infantry, (Capt. Collins) which has been stationed in our place for some time, has received marching orders, and are now upon the eve of their departure, as we understand, to the western frontier, and

WHEREAS, The officers and men of this company, by their good behavior and gentlemanly demeanor whilst among us, have won the respect of our citizens, therefore,

Resolved, That the thanks of the citizens of Graham are due and are hereby tendered to the officers and men of said company, for the manner in which they have conducted themselves whilst on duty in our town, and that we extend to them our heartfelt wishes for their safety and preservation in their new field of operations.

Resolved, 2nd, That a copy of these resolutions be delivered to the Commander of said Company with a request that they be published to the Company and that copies be forwarded to the SENTINEL and *Standard* for publication.

J. A. LONG, Sec'y.

Hon. Josiah Turner, Jr., Editor Sentinel:

On to-day our people had a meeting at Keenonsville, to nominate candidates for the approaching August elections. The meeting was forcibly addressed by Messrs. Allen, Smith and Pearsall, and there was no dissenting voice, but that we send Representatives to the Legislature of the *right stripe*. We intend and expect to do it. We approve your course in exposing the frauds practiced by the party now in power, and hope your will be enabled to accomplish much good to our people.

DUPLIN.

Duplin county, April 21th, 1870.

THAT CONTEMPT CASE.—The case of Mr. John L. Holmes, the member of the Bar fined for contempt of Court in refusing to "Mister" a negro at the Special Court by the presiding officer, Judge Cantwell, Friday morning, was brought before this tribunal by Mr. Holmes' counsel yesterday morning. Cols. Robert Strange and W. S. Devane and Capt. S. A. Ashe appeared for the defendant. When Mr. Holmes and counsel entered the Court Room, the proceedings were opened by a remark from the Court declaring Mr. Holmes in custody and directing the Marshal that such was the case. No record of these proceedings has yet been entered, but we learn that the Court suggested that an answer be filed by the defendant purging himself of the alleged contempt. This was declined by counsel. An affidavit was, however, made by Mr. Holmes and placed in the hands of the Clerk upon which a motion to correct the record in an important particular will be based and offered by counsel Monday.—The correction proposed by the affidavit is that the Court directed Mr. Holmes to address the witness either as "Mr." Howe or "Alderman" Howe. During the proceedings yesterday, the Court suggested its willingness to hear an application looking to the reduction of the fine. Such a motion the counsel would not offer, and Mr. Holmes, as there appeared no remedy, paid the fine and costs, amounting to $106.25.—*Wil. Journal, April 24th.*

The *Journal* of Monday has the following in regard to the same matter:

THE CONTEMPT CASE.—We unintentionally did Mr. Holmes and counsel in the contempt case an injustice by a statement in our Sunday's issue, in stating that the Court suggested to counsel that the defendant file an answer purging himself of the contempt. We find now that we misunderstood the true state of the case; it was just exactly the opposite of that published. Mr. Holmes, through his counsel, did wish to file an answer and requested that this privilege be granted him, but he was denied an answer by the Court.

DEFINITE CASH SURRENDER VALUES,

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks*,—upon which elements of administration the security of a Life Insurance Corporation depends.
The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*
Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

New Ads.—Something good at Douglas Bell's.

Pocket Maps at the Book Stores by the N. C. Land Company.

Valuable town property for sale, Mrs. Weatherell, Adm'x.

Miss Keene at Tucker Hall, see announcement for the remainder of the week.

Notice to heirs of Wm. H. Lee, concerning probate of will.

Telegraphic Synopsis.—Expecting additional intelligence to-night, in regard to the Richmond disaster, we give only a very slight synopsis of dispatches from other quarters. There is, however nothing of great importance in them.

Prince Frederic of Prussia announced as candidate for the Spanish throne, Napoleon to form the ministry.

Thiers advises the French to abstain from voting at the plebiscite.

Bill passed the House removing disabilities from State officers of Texas.

There is some difficulty among the army officers in Cuba.

At New York, cotton quoted dull and heavy at 23¼ for uplands and 23¾ for Orleans, flour a shade firmer.

The Baltimore market reports quote shoulders at 13¼, Lard 17.

Liverpool quotations, Cotton steady, Uplands 11 to 11¼, Orleans 11¾.

The Richmond Disaster.—The telegraph gives accounts of a most terrific disaster in Richmond. Of course, in the confusion all the facts cannot be reported, but enough is known to mark it a more terrible affair than that of the burning of the theatre in 1811. We shall probably have a more succinct and reliable account by the papers and by telegrph to-day.

Postponed Indefinitely.—The sale of lots at the Rayner place, advertised to come off on the 3rd of May, *prox.*, by R. S. Pullen, Esq., has been indefinitely postponed.

The Keene Dramatic Company.—As usual, a brilliant assemblage greeted the third appearance, last evening, of this admirable Company, in the fine Comedy entitled "London Assurance." The performance went off with great *eclat*, and all the *dramatis personæ* sustained themselves to the gratification and delight of the audience. To-night, the glorious old standard Comedy, "She Stoops to Conquer,"—which has lived since Goldsmith wrote it, and will live for a century to come,—will, doubtless, attract another crowded house.

We have heretofore expressed our admiration of the charming impersonations of the "Queen of Comedy," Miss Keene, and have only to add that each successive rendition enhances that estimate. We desire to say, to day, that the Company at large presents an array of extraordinary histrionic talent, and, especially, we wish to speak a brief word of them, when "Our American Cousin" was presented on Tuesday night: First in order, of course, after the gifted Miss Keene, comes "our American Cousin" himself. Mr. Harry Hawk did the "Live Yankee" to perfection, and by his humor, naturalness, quaint vivacity, and correct appreciation of the character, brought down the house at every utterance.

Mr. Mordaunt, as the Clerk,—struggling to resist the demon of drink, and exhibiting in his person the violent struggle between a noble resolve and the infatuation of a diseased appetite,—displayed great power. Mr. Mordaunt's elocution is almost unexceptionable. Mr. Otis, as lord Dundreary—the brainless exquisite,—sustained that difficult *role*, to perfection, and showed himself to be of an order of very decided merit. His costume was in fine keeping with the character, and his appreciation of it was everything that could have been expected on any boards. Binney, the cockney butler, was first-rate in manner, pronunciation and drollery of action. Mr. Wallis, as the Attorney, Mr. Stuart, in his part, and little Master Evie, as the "Tiger," acquitted themselves excellently well. We cannot discriminate between the ladies, of course, but they all deserved the applause and commendation they received.

Altogether, this is the finest Dramatic Company that has ever visited our city, and Miss Keene merits the substantial recognition of her visit which she is receiving. Give her and her troupe a "bumper" to night.

Those who have had the pleasure of attending the entertainments at Tucker Hall during the week, and enjoying the rare opportunity afforded of witnessing performances of this talented Company, will bear in mind that on Friday night Miss Keene takes a benefit, when they will have an opportunity of giving tangible proof of their appreciation by joining their efforts and influence to make it an overwhelming success.

Bananas! Bananas! At Moseley's, will be sold cheap to-day.

Chiropodist.—Dr. Lindoman will remain till Saturday, April 30th, if you have Corns, Bunions and Bad Nails, dont forget he will positively only remain till the 30th of April, therefore don't play any longer if you have bad nails or corns, he cures them without pain or drawing blood.—Room, 42, Yarborough House. Ladies attended at their residence without extra charge, charges moderate. d2t.

At him Again.—Yesterday Mr. E. J. Krebs, the lottery man, was again brought before the City Court. This time he was arraigned for violation of the city ordinances prohibiting lotteries. The case comes up Wednesday when the legality of the ordinance will doubtless be tested. We understand that a large number of indictments against this same defendant will be sent before the grand jury of the Superior Court at its present term.—*Wilmington Journal*, 26th.

Personal.—Rev. J. H. Dally arrived in this city last evening, and his old friends, of whom there are many, were happy to greet him. He will, as stated elsewhere, deliver an address this morning, at the Theatre, on the subject of Odd Fellowship.—*Wilmington Star*, 26th.

A Number of Novelties.—Passing down Fayetteville street yesterday, we had our attention directed to a number of novelties, which we think worthy of a short notice.

The first were at Thiem's, in the shape of a newly invented Top, which will run ten minutes by the watch, and present some dozen or more metamorphoses. The other is a new toy velocipede rider, which being wound up, makes the circle of the rink in a most astonishing manner.

The next we notice is the fine and splendid stock of Millinery goods on exhibition at Mrs. Œttinger's show rooms, embracing a great variety in styles, among the rest the original "Shoo Fly" hat, for ladies.

Then we were shown, at Dobbins and Francis' boot and shoe establishment, a novelty in the shoe line, being three or four different sorts of shoes in one, a genuine "Ku Klux" shoe, very convenient and pleasant for summer wear.

Pianos.—We stepped in at Lougee's, one day this week, to hear Vaughan play on the new Tremaine piano he has there on exhibition as a sample of those he is selling for that enterprising and rising firm, the Tremaine Brothers of New York.

It is a fine toned instrument of seven octaves, and neat finish, having round front corners and carved legs. We are not skilled on the technicalities of the trade sufficiently to describe the make and arrangements fully, but if any of our readers wish to purchase a good instrument, on accommodating terms, we advise an interview with Mr. Vaughan, as he is determined to sell, if he can find any one half inclined to buy.

He can furnish instruments of any quality, and as the makers are now working for a reputation in their line, their pianos are likely to be very carefully put up.

Rev. T. E. Skinner.—We met in the city yesterday, Rev. T. E. Skinner, formerly pastor of the Baptist Church in this city, who has been on a visit to his father in the eastern part of the State.

We are requested to announce that he will preach this, (Thursday) evening, in the Baptist Church in this city.

TELEGRAPHIC.

Wednesday Evening Dispatches.

TERRIBLE CALAMITY IN RICHMOND—A LARGE NUMBER OF PERSONS KILLED AND WOUNDED.

Richmond, April 27.—A large crowd, collected in the upper portion of the Capitol building, where the Supreme Court of Appeals were located to hear the decision in the Mayoralty case. About 11 o'clock all the floor gave way beneath the dense weight, precipitating the crowd to the floor below, which was that of the House of Delegates. It is hard to ascertain at present the extent of the injuries, so great is the excitement, but some were killed and a large number severely injured. Many escaped the terrible fall by jumping into the windows when the floor gave way. The wounded are now being attended to.

Later.—A terrible calamity occurred here this morning. The floor of the Court of Appeals, in the State Capitol, gave way and precipitated the hundreds therein assembled to hear the decision in the Mayoralty case of Ellyson and Chahoon, upon a Conservative caucus then sitting in the Hall of the House of Delegates below it. It is impossible to ascertain the extent of the injuries at this hour.

Among the killed are P. H. Aylett, a distinguished lawyer, Dr. J. B. Brock, reporter for the *Enquirer* and *Examiner*, Sam'l Eaton, Clerk to Mayor Cahoon, Capt. Wm. A. Charters, Chief of the Fire Department, N. P. Howard, lawyer, Ash Levy, a Richmond Merchant, Chas. Watson of Danville, R R Hughes, Hutchinson Lewis and N. Webb of this city; Schofield, brother of Gen. Schofield, R. H. Maury Jr. Senator, Bland, colored of Powhatan and Roberts.

It is supposed that 20 members of the State Legislature are killed and wounded.

The Judges of the Court of appeals all escaped unhurt. Ex-Gov. Wells was badly injured. L. H. Chandler, counsel for Chahoon in the the Mayoralty case, was injured. James Neeson and Judge Meredith, counsel for Ellyson, were also badly hurt.

About two hundred persons were hurt by the accident.

The greatest excitement prevails; hundreds of persons are on the Capitol Square weeping and waiting for the dead and dying are brought out of the building.

Gov. Walker escaped unhurt, though on the Court room floor at the time.

WASHINGTON.

Washington, Apr 27.—The New York *Express* has the following: "The Ways and Means Committee have rejected the Senate funding bill. A new bill is to be framed which will probably provide for a long 4 per cent. bond."

From the fact that Mr. Howard, the minority member of a Sub-Committee of 3, had reported to the Senate Pacific R. R. adversely to the Trans-Continental R. R. the impression has been created that the Committee itself had so reported. This is not true, as the Committee have not yet acted on the subject.

The House is considering a bill to remove disabilities from 9 Texans elected to office.

Senate.—Frost addressed the Senate in favor of payment of loyal owners in the South for property taken.

The bill for the enforcement of the 15th amendment is made special order for to-morrow.

Wednesday Night Dispatches.

VIRGINIA.

Richmond, April 27.—In addition to the particulars sent at noon, the following are given:

At 11 o'clock the Supreme Court of Appeals of Va. was crowded with eminent citizens and many loyal politicians, and a great many of the public at large.

The crowd was around there to hear the decision in the case of the Mayoralty of Richmond. The friends of Ellyson and Cushion who comprised the prominent Republicans and Conservatives of the city, had nominated A. H. for the decision which was expected to be given to-day.

Among the many prominent men were Ex-Gov. Wells, Judge Meredith, P. H. Aylett, L. H. Chandler and others.

At 11 o'clock the gallery of the Court Room, which was crowded, fell in, the floor followed, and the whole fell thirty feet to the floor below, which was the floor of the House of Delegates, on which some few of the members of a caucus were waiting.

There was a general crash of all the timbers and the falling of the inside wall, in which were killed, P. H. Aylett, Capt. Charters, chief of fire brigade, E. M. Schofield, Assessor and brother of Gen Schofield Dr. J. B. Brock, editor Richmond Enquirer, Julius A. Hobson city collector, J. B. Dugger, member of House of Delegates, Ch. A. Brown, Com. Merchant of Cincinnatia, Samuel Afton, former theatrical manager of the Boston theatre, Powhatan Roberts, Commissioner in Chancery of Court of Common Pleas, James A. Blamire, of Berlin Prussia, S E Burnham, Syracuse N Y., L P Howard, Lawyer, Ash Levy, Merchant, J W D Bland, colored Senator from Prince Edward, S Watson, Merchant of Danville, Gen. Hargrove of Henry County, D D Grinner, Washington D C, Robt Hellamy Jr., land agent, Edward Ward, of England, W. H. Davis, coal merchant, John Robinson, colored Baptist minister, Col. Pickgrew Woolfolk, T. P. Foley, Deputy U. S. Marshall, W E Randolph, of N. Y., R. E. Bradshaw, Grocer, and 31 others, among them one Captain, one Sergeant, and nine privates of the police on duty in the building.

Among the wounded are ex-Gov. Wells, ribs broken and internally injured; Mayor Ellyson slightly, Mayor Cahoon slightly, L. H. Chandler, Judge Meredith, Joseph Nelson, Jno. Seward, Rush Burgess, Collector of the District, Wm. A. Dunham, Agent: township line.

Hon. Thos Bocock, had his leg amputated, Gen H D Corse, of late Confederate army, Colonels Geo W Brent, of Alexandria, Capt. G. W. Allen, Post Warden, W. G. Elliot, broker, Thos S Baldwin, of Newark, N. J., W D Chesterman, of the Petersburg Index, Wm H Roper, Merchant of Baltimore, and about one hundred others.

When the disaster occurred the fire alarm was sounded to give notice, and the Hook & Ladder Companies of the city repaired at once to the scene; a cordon of police was drawn up under the building, and the ladders were thrown up to the windows of the Houses.

The scene was one of horror; minute after minute there appeared swung out by ropes around the body of some popular favorite who was brought down the ladder, was laid mangled and dead on the public Park, where it was instantly surrounded by numbers of those who had gathered to recognized the slain.

The Park was filled with anxious and weeping women and men until two o'clock, when the last victim was drawn from the building.

After this, the police closed the park, refusing admittance to any one; the bodies of the dead having been sent out.

All the stores in the city were closed, and placards put on the doors, "closed in consequence of the disaster at the Capitol." No more business was done during the day. To-night meetings were held by members of the Press Association, members of the late military associations, members of the Bar, and of the citizens generally.

To-morrow will be observed as a day of general mourning

For Restoring to Gray Hair its Original Color.

Phalon's "Vitalia" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and colorless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

The Vitalia is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

WILMINGTON NORTH CAROLINA

LIFE INSURANCE COMPANY.

—[o]—

BOARD OF DIRECTORS:

JOHN DAWSON,
ALEXANDER JOHNSON, Jr.,
Capt. JOHN E. SPEARMAN,
Cap. I. B. GRAINGER,
B. F. GRADY,
Dr. C. T. MURPHY,
Col. I. A. POWELL,
H. B. KILBY,

GEORGE W. WILLIAMS

—[o]—

OFFICERS OF THE COMPANY:

JOHN DAWSON.....President.
B. F. GRADY.....Vice President and Treasurer.
ALEXANDER JOHNSON, Jr.....Secretary.
Dr. E. A. ANDERSON.....Medical Director.
Wm. A. WRIGHT and C. M. STEDMAN.....Attorneys.
Hon. ELIZUR WRIGHT.....Consulting Actuary.
Rev. B. F. MARABLE.....General Supervising Agent.

THE PRINCIPAL OFFICE OF THE COMPANY IS LOCATED IN WILMINGTON, NORTH CAROLINA, No. 5, NORTH FRONT STREET.

This Company was chartered by the Legislature of North Carolina in February 1869. The Charter is perpetual, and is very liberal in its provisions.

CAPITAL STOCK $300,000,

WITH PRIVILEGE TO INCREASE IT TO

$1,000,000.

The Board of Directors beg leave to say to the people of North Carolina, that this is emphatically a "**HOME INSTITUTION.**" The Stockholders are all North Carolinians; the members of the Board of Directors are all North Carolinians; the officers of the Company are ALL NORTH CAROLINIANS; and the Agents of the Company are all North Carolinians.

Most of the States of the Union, in which Insurance Companies are located, require a heavy deposit from Companies located in other States before being allowed to do business in them; and the Board of Directors of this Company, believing that it was nothing more than "EVEN HANDED JUSTICE" that the Legislature of North Carolina should pass a law requiring such Companies located outside of this State to make a deposit with the Treasurer of the State before being allowed to do business in it, petitioned the Legislature at its late session for the passage of such a law, but that Honorable body turned a deaf ear to our humble petition and refused to do so. Now, we humbly submit that if it is just and right that Insurance Companies LOCATED IN NORTH CAROLINA should be required to make a deposit with the Treasurer of any of her sister States before being allowed to do business in them; then it is equally just and right that Insurance Companies located in such sister States should be required to make a deposit with the Treasurer of North Carolina before being allowed to do business in this State. The Legislatures of other States afford

PROTECTION TO THEIR INSURANCE COMPANIES,

and why in the name of common justice should not the Legislature of North Carolina do the same thing? Has the time not yet come when the "Rip Van Winkle of the South" should wake up? Are the people of the "Good Old North State" to remain forever behind their neighbors in the MARCH OF IMPROVEMENT? Why is it that we cannot establish institutions of our own and protect and support them, and thereby keep our money at home to benefit our own people, in the same manner that the citizens of other States do? Look at the hundreds of thousands of dollars which go out of the pockets of the people of North Carolina annually, to enrich the Insurance Companies located outside of this State; and what is worse than all, goes to enrich the pockets of the people of States which refuse to allow NORTH CAROLINA INSURANCE COMPANIES to do business in them without making a heavy deposit. We have not a single word to say against the Insurance Companies of other States; but as the Legislature of other States afford protection to their Insurance Companies, when such companies in this State are refused protection by our Legislature, we humbly submit that it is the duty of the people of the State to patronize and SUSTAIN OUR OWN COMPANIES, for by doing this they are but simply doing justice to themselves.

The Board of Directors and Officers of this Company assure the people of North Carolina that the Company commences the work of Life Insurance upon a SOUND and RELIABLE BASIS; and they hereby pledge their honor that the management of the affairs of the company shall be such as will give perfect security and safety to all who may patronize it.

Our Table rates were calculated by the Hon. Elizur Wright, the world-renowned Actuary, and may ils relied upon as being correct.

This being a "HOME INSTITUTION" we have no long list of Directors and Stockholders, composed of distinguished gentlemen of other States to spread before you; but we have a respectable list of Stockholders, all of whom are North Carolinians, and a large portion of them will be recognized as being some of the BEST CITIZENS OF THE STATE. Nor have we a long array of names of eminent gentlemen abroad to refer to; but we respectfully refer to the good citizens generally of this community.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES H. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience: men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policies issued on all the popular plans and all Non-Forfeiting.

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or coastwise, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.

UNPRECEDENTED SUCCESS

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates, as well as the uniform excellence of the work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Places it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs. TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.
